

TRUTouch X5 & X7 Series

simply smart collaboration

Collaborate with anyone, anywhere no matter what device or system they use.

Collaboration Innovation

the epitome of modern conferencing

All-inclusive video conferencing and meeting collaboration tool, the X5 and X7 TRUTouch touchscreen come complete with Windows 365 and Skype for Business. No additional equipment is necessary so it really is the complete package. With its PCAP (projected capacitive) screen presentations can be conducted with ease, writing on a touchscreen has never felt so accurate, smooth and natural, giving teachers and business professionals that extra confidence when presenting. The ideal solution for any University or Higher Education establishment.

With a sleek, contemporary design, the X5/X7 range requires just one touch to start a meeting and you're up and running. A single

touch can also transform the screen into an interactive whiteboard, where presenters can annotate, share ideas and comment with other meeting members.

For lectures or business meetings where a team of people are collaborating at the same time, the X5/X7 range allows for a full Bring Your Own Device (B.Y.O.D.) experience. Simply connect the way you want through your smart phone, tablet, or laptop. This makes for the perfect solution to use in combination with an array of collaboration software including Genee World's own CubeShare and Project Flow.

COMPREHENSIVE CONNECTIVITY

The TRUTouch X5 & X7 has multiple HDMI, USB and AV ports, providing great connectivity to external devices such as PC, Visualiser, Microphone or speakers. With the optional add-on of MirrorOps you can mirror devices wirelessly via WI-FI.

PCAP SCREEN

Utilising the latest PCAP technology, the X5 & X7 allows presenters to annotate with ease and produce an array of interactive presentations. The X5 & X7 will enable mirrored devices to utilise the PCAP touchscreen functions.

INTERCHANGEABLE VIDEO CAMERAS

Working in connection with Genee's Video Conferencing software, two interchangeable front-facing cameras, provide crisp video conferencing opportunities and the ability to record full interaction.

ENHANCED ACOUSTICS

Acoustic echo cancellation and noise reduction technology enables meeting participants to be heard clearly across a 7-metre board room.

TRUTouch X5 & X7 series

product specification

	X5	X7
Product Code	TOU060010	TOU060020
DISPLAY		
Size & Type	55" LED Resolution: 1920 x 1080, (16:9)	70" LED, Resolution: 1920 x 1080, (16:9)
Display Colours	10bit	
Brightness	350cd/m2	
Contrast	4000:1	
Response Time	6ms	
SPEAKER		
Speaker Position	Forward (30W Max Power Output)	
Output S.P.I.	84+/-3dB	
MICROPHONE ARRAY		
Polar Patterns	Omnidirectional	
Pickup Range	5m	
CAMERA		
Position	Top x 1, Bottom x 1	
View Angle	86°	
Video Resolution	1920 x 1080 @30fps (Max), Frame Rate: 30fps/60fps	
ELECTRICAL		
Power Consumption	Maximum<250W Standby Mode 0.5W	
Working Voltage	AC 100-240V, 50/60Hz	
TOUCH		
Touch Sensor	P-Capacitive Touch, 10 Point Touch	
TRANSPORTATION/STORAGE		
Mounting (optional)	Wall-mounted/Floor Stand	
Dimensions	1220(W) x 771(H) x 78(D) mm	1558.7(W) x 1048.7(H) x 78(D) mm
Weight	39kg (Net) 62kg (Gross)	65kg (Net) 80kg (Gross)
PORTS		
Front Interface Inputs	Microphone (3.5mm) x 1, HDMI x 1, USB (Touch) x 1, USB (OPS), x 1, USB (Android)	
AV Inputs (Outputs)	HDMI (MHL*) 1, VGA x 1, USB(Touch) x 2, Audio x 1 (3.5mm Line out x 1, HDMI x 1)	
Other	USB 2.0 x 2, RS232 x 1, RJ45 x 1, USB3.0 x 1, SD Reader, OPS Slot	
SYSTEM		
Chips	ARM Cortex A9 Quad Core 1.5GHz , RAM: 2G, Flash: 8GB (Built in WiFi)	
Multimedia File Formats Supports	Image: JPEG, BMP, PNG. Video: MPEG1, MPEG2, MPEG4, H.264, H.265, RM, RMVB, MOV, MJPEG, VC1, Divx, FLV (support 1080p, 4K HDDecoding). Audio: MP3, M4A, (AAC).	
Project Flow	Yes (Opt-Out available)	
OPS PC	CPU: i5-4300M 2.6GHz, RAM: 4GB DDR3 1600MHz, Hard Disk: 128GSATA3 SSD, USB 2.0 x 4, USB 3.0 x 2, LAN x 1, Mic in: 1, Line out x 1, SPDIF OUT x 1, Build-in WiFi x 802.11b/g/n, OS x: Win8.1 en x64
